# 2026 Medicare Parts A & B Premiums and Deductibles 2026 Medicare Part D Income-Related Monthly Adjustment Amounts

On November 14, 2025, the Centers for Medicare & Medicaid Services (CMS) released the 2026 premiums, deductibles, and coinsurance amounts for the Medicare Part A and Part B programs, and the 2026 Medicare Part D income-related monthly adjustment amounts.

#### **Medicare Part A Premium and Deductible**

Medicare Part A covers inpatient hospital, skilled nursing facility, hospice, inpatient rehabilitation, and some home health care services. Approximately 99% of Medicare beneficiaries do not have a Part A premium since they have at least 40 quarters of Medicare-covered employment, as determined by the Social Security Administration.

The Medicare Part A inpatient hospital deductible that beneficiaries pay if admitted to the hospital will be \$1,736 in 2026, an increase of \$60 from \$1,676 in 2025. Part A inpatient hospital deductible covers beneficiaries' share of costs for the first 60 days of Medicare-covered inpatient hospital care in a benefit period. In 2026, beneficiaries must pay a coinsurance amount of \$434 per day for the 61st through 90th day of a hospitalization (\$419 in 2025) in a benefit period and \$868 per day for lifetime reserve days (\$838 in 2025). For beneficiaries in skilled nursing facilities, the daily coinsurance for days 21 through 100 of extended care services in a benefit period will be \$217.00 in 2026 (\$209.50 in 2025).

# Part A Deductible and Coinsurance Amounts for Calendar Years 2025 and 2026 by Type of Cost Sharing

	2025	2026
Inpatient hospital deductible	\$1,676	\$1,736
Daily hospital coinsurance for 61st-90th day	\$419	\$434
Daily hospital coinsurance for lifetime reserve days	\$838	\$868
Skilled nursing facility daily coinsurance (days 21-100)	\$209.50	\$217

Enrollees age 65 and older who have fewer than 40 quarters of coverage, and certain persons with disabilities, pay a monthly premium in order to voluntarily enroll in Medicare Part A. Individuals who had at least 30 quarters of coverage, or were married to someone with at least 30 quarters of coverage, may buy into Part A at a reduced monthly premium rate, which will be \$311 in 2026, a \$26 increase from 2025. Certain uninsured aged individuals who have fewer than 30 quarters of coverage, and certain individuals with disabilities who have exhausted other entitlements, will pay the full premium, which will be \$565 a month in 2026, a \$47 increase from 2025.

#### **Medicare Part B Premium and Deductible**

Medicare Part B covers physicians' services, outpatient hospital services, certain home health services, durable medical equipment, and certain other medical and health services not covered by Medicare Part A.

Each year, the Medicare Part B premium, deductible, and coinsurance rates are determined according to provisions of the Social Security Act. The standard monthly premium for Medicare Part B enrollees will be \$202.90 for 2026, an increase of \$17.90 from \$185.00 in 2025. The annual deductible for all Medicare Part B beneficiaries will be \$283 in 2026, an increase of \$26 from the annual deductible of \$257 in 2025.

The increase in the 2026 Part B standard premium and deductible is mainly due to projected price changes and assumed utilization increases that are consistent with historical experience. If the Trump Administration had not taken action to address unprecedented spending on skin substitutes, the Part B premium increase would have been about \$11 more a month. However, due to changes finalized in the 2026 Physician Fee Schedule Final Rule, spending on skin substitutes is expected to drop by 90% without affecting patient care.

Beginning in 2023, individuals whose full Medicare coverage ended 36 months after a kidney transplant, and who do not have certain other types of insurance coverage, can elect to continue Part B coverage of immunosuppressive drugs by paying a premium. For 2026, the standard immunosuppressive drug premium is \$121.60.

#### **Medicare Part B Income-Related Monthly Adjustment Amounts**

Since 2007, a beneficiary's Part B monthly premium has been based on his or her income. These income-related monthly adjustment amounts affect roughly 8% of people with Medicare Part B. The 2026 Part B total premiums for high-income beneficiaries with full Part B coverage are shown in the following table:

# **Medicare Part D Income-Related Monthly Adjustment Amounts**

Since 2011, a beneficiary's Part D monthly premium has been based on his or her income. Approximately 8% of people with Medicare Part D pay these income-related monthly adjustment amounts. These individuals will pay the income-related monthly adjustment amount in addition to their Part D premium. Part D premiums vary by plan and, regardless of how a beneficiary pays their Part D premium, the Part D income-related monthly adjustment amounts are deducted from Social Security benefit checks or paid directly to Medicare. Roughly two-thirds of beneficiaries pay premiums directly to the plan while the remainder have their premiums deducted from their Social Security benefit checks. The 2026 Part D income-related monthly adjustment amounts for high-income beneficiaries are shown in the following table:

#### Part D

# Medicare Income-Related Monthly Adjustment Amount - Life-Changing Event

If you had a major life-changing event and your income has gone down, you may use this form to request a reduction in your income-related monthly adjustment amount. See page 5 for detailed information and line-by-line instructions. If you prefer to schedule an interview with your local Social Security office, call 1-800-772-1213 (TTY 1-800-325-0778).

Name	Social Security Number

You may use this form if you received a notice that your monthly Medicare Part B (medical insurance) or prescription drug coverage premiums include an income-related monthly adjustment amount (IRMAA) and you experienced a life-changing event that may reduce your IRMAA. To decide your IRMAA, we asked the Internal Revenue Service (IRS) about your adjusted gross income plus certain tax-exempt income which we call "modified adjusted gross income" or MAGI from the Federal income tax return you filed for tax year 2023. If that was not available, we asked for your tax return information for 2022. We took this information and used the table below to decide your income-related monthly adjustment amount.

The table below shows the income-related monthly adjustment amounts for Medicare premiums based on your tax filing status and income. If your MAGI was lower than \$106,000.01 (or lower than \$212,000.01 if you filed your taxes with the filing status of married, filing jointly) in your most recent filed tax return, you do not have to pay any income-related monthly adjustment amount. If you do not have to pay an income-related monthly adjustment amount, you should not fill out this form even if you experienced a life-changing event.

If you filed your taxes as:	And your MAGI was:	Your Part B monthly adjustment is:	Your prescription drug coverage monthly adjustment is:

# INSTRUCTIONS FOR COMPLETING FORM SSA-44 Medicare Income-Related Monthly Adjustment Amount Life-Changing Event--Request for Use of More Recent Tax Year Information

You do not have to complete this form in order to ask that we use your information about your modified adjusted gross income for a more recent tax year. If you prefer, you may call 1-800-772-1213 and speak to a representative from 7 a.m. until 7 p.m. on business days to request an appointment at one of our field offices. If you are hearing-impaired, you may call our TTY number, 1-800-325-0778.

# **Identifying Information**

Print your full name and your own Social Security Number as they appear on your Social Security card. Your Social Security Number may be different from the number on your Medicare card.

## STEP 1

You should choose any life-changing event on the list. Fill in the date that the life-changing event occurred. The life-changing event date must be in the same year or an earlier year than the tax year you ask us to use to decide your income-related premium adjustment. For example, if we used your 2023 tax information to determine your income-related monthly adjustment amount for 2025, you can request that we use your 2024 tax information instead if you experienced a reduction in your income in 2024 due to a life-changing event that occurred in 2024 or an earlier year.

Life-Changing Event	Use this category if
Marriage	You entered into a legal marriage.
Divorce/Annulment	Your legal marriage ended, and you will not file a joint return with your spouse for the year.
Death of Your Spouse	Your spouse died.
Work Stoppage or Reduction	You or your spouse stopped working or reduced the hours that you work.
Loss of Income-Producing Property	You or your spouse experienced a loss of income-producing property that was not at your direction (e.g., not due to the sale or transfer of the property). This includes loss of real property in a Presidentially or Gubernatorially-declared disaster area, destruction of livestock or crops due to natural disaster or disease, or loss of property due to arson, or loss of investment property due to fraud or theft.
Loss of Pension Income	You or your spouse experienced a scheduled cessation, termination, or reorganization of an employer's pension plan.
Employer Settlement Payment	You or your spouse receive a settlement from an employer or former employer because of the employer's bankruptcy or reorganization.

# **INSTRUCTIONS FOR COMPLETING FORM SSA-44**

## STEP 2

Supply information about the more recent year's modified adjusted gross income (MAGI). Note that this year must reflect a reduction in your income due to the life-changing event(s) you listed in Step 1. A change in your tax filing status due to the life-changing event might also reduce your income-related monthly adjustment amount. Your MAGI is your adjusted gross income as used on line 11 of IRS form 1040 plus your tax-exempt interest income as used on line 2a of IRS form 1040. We used your MAGI and your tax filing status to determine your income-related monthly adjustment amount.

#### Tax Year

- Fill in both empty spaces in the box that says "20\_\_". The year you choose must be more recent than the year of the tax return information we used. The letter that we sent you tells you what tax year we used.
  - Choose this year (the "premium year") if your modified adjusted gross income is lower this year than last year. For example, if you request that we adjust your income-related premium for 2025, use your estimate of your 2025 MAGI if:
    - 1. Your income was not reduced until 2025; or
    - 2. Your income was reduced in 2024, but will be lower in 2025.
  - Choose last year (the year before the "premium year," which is the year for which
    you want us to adjust your IRMAA) if your MAGI is not lower this year than last year.
    For example, if you request that we adjust your 2025 income-related monthly
    adjustment amounts and your income was reduced in 2024 by a life-changing event
    AND will be no lower in 2025, use your tax information for 2024.
  - Exception: If we used IRS information about your MAGI 3 years before the premium year, you may ask us to use information from 2 years before the premium year. For example, if we used your income tax return for 2022 to decide your 2025 IRMAA, you can ask us to use your 2023 information.
- If you have any questions about what year you should use, you should call SSA.

# **Adjusted Gross Income**

• Fill in your actual or estimated adjusted gross income for the year you wrote in the "tax year" box. Adjusted gross income is the amount on line 11 of IRS form 1040. If you are providing an estimate, your estimate should be what you expect to enter on your tax return for that year.

# **Tax-exempt Interest Income**

• Fill in your actual or estimated tax-exempt interest income for the tax year you wrote in the "tax year" box. Tax-exempt interest income is the amount reported on line 2a of IRS form 1040. If you are providing an estimate, your estimate should be what you expect to enter on your tax return for that year.

# **Filing Status**

• Check the box in front of your actual or expected tax filing status for the year you wrote in the "tax year" box.

Form **SSA-44** (12-2024) Page 7 of 8

# **INSTRUCTIONS FOR COMPLETING FORM SSA-44**

#### STEP 3

Complete this step only if you expect that your MAGI for next year will be even lower. We will record this information and use it next year to determine your Medicare income-related monthly adjustment amounts. If you do not complete Step 3, we will use the information from Step 2 next year to determine your income-related monthly adjustment amounts, unless one of the conditions described in "Important Facts" on page 8 occurs.

## Tax Year

• Fill in both empty spaces in the box that says "20 \_\_ " with the year following the year you wrote in Step 2. For example, if you wrote "2025" in Step 2, then write "2026" in Step 3.

# **Adjusted Gross Income**

• Fill in your estimated adjusted gross income for the year you wrote in the "tax year" box. Adjusted gross income is the amount you expect to enter on line 11 of IRS form 1040 when you file your tax return for that year.

# Tax-exempt Interest Income

• Fill in your estimated tax-exempt interest income for the tax year you wrote in the "tax year" box. Tax-exempt interest income is the amount you expect to report on line 2a of IRS form 1040.

# Filing Status

• Check the box in front of your expected tax filing status for the year you wrote in the "tax year" box.

# STEP 4

Provide your required evidence of your MAGI and your life-changing event.

# **Modified Adjusted Gross Income Evidence**

If you have filed your Federal Income tax return for the year you wrote in Step 2, then you must provide us with your signed copy of your tax return or a transcript from IRS. If you provided an estimate in Step 2, you must show us a signed copy of your tax return when you file your Federal income tax return for that year.

# Life-Changing Event Evidence

We must see original documents or certified copies of evidence that the life-changing event occurred. Required evidence is described on the next page. In some cases, we may be able to accept another type of evidence. If you do not have a preferred document listed on the next page. Ask a Social Security representative to explain what documents can be accepted.

Life Changing Event	28 MSGR 23 MTD 19 MGS 910 Evidence Carry 2017
Marriage	An original marriage certificate: or a certified copy of a public record of marriage.
Divorce/Annulment	A certified copy of the decree of divorce or annulment.
Death of Your Spouse	A certified copy of a death certificate, certified copy of the public record of death, or a certified copy of a coroner's certificate.
Work Stoppage or Reduction	An original signed statement from your employer; copies of pay stubs; original or certified documents that show a transfer of your business.
	Note: In the absence of such proof, we will accept your signed statement, under penalty of perjury, on this form, that you parially or dully stopped working or accepted a job with reduced compensation.
Loss of Income Producing Property	An original copy of an insurance company adjuster's statement of loss or a letter from a State or Federal government about the uncompensated loss. If the loss was due to investment fraud (theft), we also require proof of conviction for the theft, such as a court document citing theft or fraud relating to your or your spouse's loss.
Loss of Pension Income	A letter or statement from your pension fund administrator that explains the reduction or termination of your benefits.
Employer Settlement Payment	A letter from the employer stating the settlement terms of the bankruptcy court and how it affects you or your spouse.

#### STEP 5

Read the information above the signature line, and sign the form. Fill in your phone number and current mailing address. It is very important that we have this information so that we can contact you if we have any questions about your request.

# **Important Facts**

- When we use your estimated MAGI information to make a decision about your incomerelated monthly adjustment amount, we will later check with the IRS to verify your report.
- If you provide an estimate of your MAGI rather than a copy of your Federal tax return, we
  will ask you to provide a copy of your tax return when you file your taxes.
- If your estimate of your MAGI changes, or you amend your tax return for that reason, you
  will need to contact us to update our records. If you do not contact us, we may have to
  make corrections later including retroactive assessments or refunds.
- We will use your estimate provided in Step 2 to make a decision about the amount of your income-related monthly adjustment amounts the following year until:
  - IRS sends us your tax return information for the year used in Step 2; or
  - You provide a signed copy of your filed Federal Income tax return or amended Federal Income tax return with a different amount; or
  - You provide an updated estimate.
- If we used information from IRS about a tax year when your filing status was Married filing separately, but you lived apart from your spouse at all times during that year, you should contact us at 1-800-772-1213 (TTY 1-800-325-0778) to explain that you lived apart from your spouse. Do <u>not</u> use this form to report this change.
